Greetings in the Name of our Risen Lord!

Wow! It's hard to believe that confirmation is almost over! I am personally really looking forward to confirming the first class that I have taught for a full two years.

This year's youth confirmation is scheduled for **Sunday, May 15<sup>th</sup> at the 10:00 am worship service**. There are only a few things left to do prior to that date:

- If you so choose, you may make for your child a personal banner to mark the occasion. To aid in that, banner guidelines and a list of some Christian symbols that you might use are attached. If you are unsure of how to do that, see one of the many ladies involved in our Prayers and Squares, or Sew-in-Saturdays.
- Pick a confirmation verse and let me know what it is by May 8. I have included a list of possible verses you might choose from.
- Schedule an hour-long oral examination with the Pastor prior to the May 15 confirmation ceremony.
- Don't purchase a study Bible for your child, I always provide one as a personal gift.

It is expected that this is not a final Bible class, but rather sets the foundation for a lifetime of study and practice in the Christian faith. To that end, we have a Youth Group program that continues modeling the Christian faith and life, while having many engaging activities and helping serve in the church.

Please feel free to discuss anything you wish or any questions your child may have by calling me at 661.406.0659 or stopping by to visit at the church office. I am very approachable and really want us to continue to have a good relationship.

Held in His love,

Pastor Michael Mueller
