### Children's Ministries

*Grace provides innovative programs and resources to help kids grow in their relationship with Jesus and in love with each other*

To Know Christ...  
To Make Christ Known

## Grace is the unconditional love of Jesus for us that we then share with one another

### Jesus Loves Me This I Know

When love abounds and children are engaged, faith is formed for a lifetime of love and service.

### Our Approach to Children

*"Let the little children come to me, and do not hinder them for the kingdom of God belongs to such as these."*

We welcome all children to share in the many happenings at Grace designed to interactively engage them with meaningful faith and life lessons. Here they get to experience unconditional love—true Grace!

### An Alternative Style

Grace uses the Rotation style of coaching. Whether it's our new generation Sunday school, Vacation Bible school or after school clubs, all use Bible stories, crafts, games, challenges, interactive skits, music and activities.

At Grace, from Church to School, children are loved, engaged and grow.

*Come and make us a part of your family!*
